

NEUROLOGICAL SURGEONS' SOCIETY OF INDIA

GUIDELINE FOR ABSTRACTS

- As per the constitution of NSSI, **only Life Members, Associate Members, or Allied Members** of the society are eligible to present a paper during the conference.

(Note: Only invited foreign faculty are exempted from this requirement.)

- Each member delegate attending the annual conference is allowed to present a maximum of two platform (oral) papers, and one poster or e-poster.
- Annual Members of NSSI are eligible to present their papers only **in the Free Paper Session** of the annual conference

AWARD PAPER SESSION

- Only Life Members of NSSI (including Life, Associate, and Allied Members) are eligible to participate in the Award Paper session.

Participation & Award Distribution Criteria:

1. If less than 10 papers are submitted, only one (First) award will be given.
 2. If 10 to 14 papers are submitted, two awards will be given (First and second).
 3. If 15 or more papers are submitted, three awards will be given (First, Second, and Third).
- A candidate is permitted to present only one paper in the Award Session. However, they may additionally present one poster in the same session.
 - One session will be for poster presentation.

- **The organizing secretary will ensure that all presenters are Life, Associate, and Allied Members of the society.**
- The results of the Award Session will be announced at the Valedictory Function.
- All award winners must be present during the function to receive their awards
- A dedicated separate session will be held for:
 - * Young Neurosurgeons
 - * Residents
 - * Allied Members (including neuro nurses and others)
- * A separate session will also be conducted for Poster Presentations.
